

# DESTINATION CANVAS WALL ART

Do your walls tell a story? Our canvas designs are inspired by vintage tram rolls and are styled on where you live, where you visit and where you want to be...

**New York, Paris, London and of course our home grown range – Australia.**

The canvases are screen printed using 100% solvent free, eco friendly inks on raw and unbleached artist grade canvas. Our wall art will complement any residential or commercial space. If you want a truly unique experience, ask us to design and personalise your own quality canvas.
